Learning Outcome	Assessment Criteria
LO1. 1. Apply knowledge and understanding of both culture (organisational, safety, professional, national) and conflict in a workplace setting.	1.1 Explore the importance of safety culture within a workplace. This involves fostering an environment where safety is paramount, leading to reduced accidents and incidents. 1.2 Examine how adhering to professional culture can enhance one's career and reputation. 1.3 Recognize that national culture plays a significant role in the workplace, affecting communication, hierarchy, and even work hours. 1.4 Learn to navigate cultural diversity and appreciate the benefits it brings to innovation and problem-solving.
LO2. 2. Evaluate the impact of cultural variation on employee behavior (including nontechnical skills) within the workplace.	2.1 Recognize that cultural variation can encompass national, regional, organisational, and even generational differences. 2.2 Explore the concept of employee behaviour, which includes both technical (jobspecific) and non-technical skills (soft skills or interpersonal skills). 2.3 Discuss how high-context and lowcontext communication, direct vs. indirect communication, and verbal vs. non-verbal cues can affect interactions among employees
LO3. 3. Evaluate the impact of conflict on employee behaviour and wellbeing within the workplace.	3.1 Explain that conflicts that can range from minor disagreements to more significant disputes. 3.2 Explore the different types of conflicts that can arise in the workplace, including interpersonal conflicts, role conflicts, and organisational conflicts. 3.3 Explain that employees may react differently to conflict, with some becoming more assertive, while others withdraw or become confrontational. 3.4 Analyse how conflict can disrupt workflow, hinder collaboration, and negatively impact overall productivity and job performance.
LO4. 4. Reflect on culture and conflict within own organisation to conceptualize both factors in practice.	4.1 Explore the cultural artifacts in your organisation, such as mission statements, policies, and symbols. 4.2 Analyse how culture may have played a role in these incidents, such as differing communication styles or conflicting values. 4.3 Evaluate the effectiveness of these practices and identify areas for improvement. 4.4 Emphasize the importance of continuous learning and improvement in both understanding and managing culture and conflict.
